IN RE:  INTERSTATE POWER AND LIGHT COMPANY	DOCKET NOS. TF-03-206 TF-03-207 (RPU-02-3, RPU-02-8)
---	---

**ORDER APPROVING COMPLIANCE TARIFFS**

(Issued July 11, 2003)

On June 17, 2003, Interstate Power and Light Company (IPL) filed compliance tariffs, identified as TF-03-206 and TF-03-207, consistent with the order on rehearing issued by the Utilities Board (Board) issued on June 4, 2003, in Docket Nos. RPU-02-3 and RPU-02-8. An amendment to the proposed tariffs was filed on June 30, 2003. No objections to the compliance tariffs were filed. The Board has reviewed the compliance tariffs and finds that they are consistent with the Board's rehearing order, which made some minor modifications to the Board's final decision and order issued April 15, 2003.

The modifications contained in the rehearing order reduce IPL's revenue requirement by \$355,846 and are reflected in the compliance tariffs. The compliance tariffs also reduce base tariff rates and increase energy efficiency cost recovery riders by the same amounts to reflect the transfer of interruptible cost recovery from base rates to the rider. The compliance tariffs will be approved.

**IT IS THEREFORE ORDERED:**

Compliance tariffs, identified as TF-03-206 and TF-03-207, are approved, effective on July 12, 2003, the date requested by Interstate Power and Light Company, subject to complaint or investigation.
